

PRUDENTIAL

PruLegacy

Because Your Story Should Outlive You

One day, your children will grow. Your responsibilities will change. And the life you're building today will become the foundation they stand on tomorrow.

Pru Legacy is about making sure that foundation is strong.

It helps you grow your money today, while quietly preparing for the day your family may need you most.

Support During Serious Illness

With optional Critical Illness cover, you receive 50% of your cover upfront to focus on recovery without financial stress.

We Carry the Burden

In difficult moments, you stop paying premiums, but your policy continues and your maturity benefit remains guaranteed.

A Reward for Staying the Course

Enjoy 3 extra years of life cover at no cost if no claims are made.

Why People Choose Pru Legacy

Build Something Meaningful

Every premium you pay is a step toward something bigger.

At the end of your journey, you receive 100% of your sum assured, a lump sum that can fund dreams, investments, or a more secure future.

Your Family Stands Strong

If the unexpected happens:

- Natural death: 100% payout
- Accidental death: 200% payout

Giving your family stability and continuity.

Ongoing Support That Matters

Your loved ones receive 10% of your cover every year, helping with real-life needs like school fees, rent, and daily living.

Your Plan Doesn't Stop

If you become permanently disabled:

- 100% payout
- No more premiums
- Policy continues to maturity

Optional Add-Ons

Protect Your Partner

50% cover for natural death or disability and 100% for accidental death.

Stay Ahead of Inflation

Increase your cover over time to match rising costs and responsibilities.

Simple Plan Details

- Start from UGX 250,000
- 8 to 15 year term
- Entry age: 18 to 60
- Flexible payments
- Up to UGX 4 billion cover

Good to Know

- 90 days grace period
- 30-day cancellation window
- Value builds after 2 years
- 6-month waiting period for natural causes

A Thought Worth Holding On To

You may not always be there for your family. But what you put in place today can be.
