# Build Wealth. Protect What Matters Most.

Life is full of plans, school fees, a home, a better future for your family. But life can also be unpredictable.

Pru Wealth helps you stay ready for both. It gives you a disciplined way to save, while protecting the people who depend on you.

## Why Choose Pru Wealth?

### A Reward for Your Commitment

Stay consistent with your plan, and at the end of your policy term, you receive 100% of your sum assured.

It's not just saving. It's saving with a clear goal and a guaranteed outcome.

### Your Family Stays Protected

If life takes an unexpected turn:

- Natural death: Your family receives 100% of your cover
- Accidental death: Your family receives 200% of your cover

So even when you're not there, their future is still secure.

### Income That Continues

Your loved ones receive 10% of your cover every year after your passing.

This helps them manage everyday needs like school fees, rent, and food.

### Protection If You Can't Work

If you become permanently disabled:

- You receive 100% of your cover

- You stop paying premiums
- Your policy continues to maturity

Your financial plan doesn't stop, even if your income does.

### We Carry the Burden for You

In case of death or disability, you no longer need to pay premiums, but your policy stays active and your maturity benefit is still paid.

### A Little Extra, At No Cost

If no claims are made during your policy term, you get 3 extra years of life cover — free.

## Optional Add-Ons

### Extend Protection to Your Spouse

Cover your partner under the same plan:

- 50% cover for natural death or disability
- 100% cover for accidental death

### Stay Ahead of Rising Costs

Increase your cover each year so it keeps up with inflation and your growing responsibilities.

### Simple Plan Details

- Start from as low as UGX 250,000
- Policy term: 8 to 15 years
- Entry age: 18 to 60 years
- Flexible payments: Monthly, quarterly, or annually

### Good to Know

- 90 days grace period for missed payments
- 30-day cooling-off period with refund option
- Policy gains value after 2 years
- 6-month waiting period applies for natural causes

### Your Future, Secured Today

Pru Wealth is more than a policy. It's a promise, to yourself and to your family.

**Start today, and take control of tomorrow.**
